Jennifer, we would prefer to have this meeting on the afternoon of Monday, June 7th. Because we may have some people calling in from the eastern and central time zones, we would like to begin the meeting at 12:30 pm.

Let me know if this works.

Thanks, Eric

Hi Eric,

Per our conversation last week you were going to check with the EPA team about availability to hold the alternatives screening check-in planning meeting on Monday, June 7th or Monday, June 14th. Do you have an update for me at this time?

The LWG can attend the meeting on Monday, June 7th morning or afternoon or the afternoon of Monday, June 14th.

Thank you,

Jennifer, our preference is the morning of June 10th. Let us know if that date and time works and we can get this finalized on the calendar.

Thanks, Eric
